## MINSTREL PROVES DECIDED HIT ON TUESDAY NIGHT

Local Club Men Prove Themselves Minstrels Indeed—Show Which Makes Great Hit Will Be Repeated Tonight.

The Terpsichorean Club Minstrels given at the Washington Theater last night proved a wonderful success—a much greater success than had been expected. All of the club men were at their best and the jokes and songs were greatly enjoyed by the large audience which filled the Opera House.

The comedians are Clarence O'Keefe, Fred Cogan, David Cole, Robert Buckley, William Tully, Clarence Olson, Elmer Hays and, Ed Duley while the balladists were Murray Simpson, C. N. Ginn, Arthur Lynch, Quinn Martin, Reed Rains, John Arn, Louis Conti, John Cantley, Charles Dieterich, James Caproni, George Redmond, Leonard Wallingford, Herbert Williams, Hobart Bradford, Robert Rosser, Richard Gaitner, Leslie Walker, Giles Rice and Hans Hirschfeld.

The first part was as good as in any high class minstrel while the Olio was unusually good. So big was the hit the minstrel made that there is no doubt but that the Washington will be filled again this evening when the minstrel will be repeated.

## SEVERAL REPUBLICANS GO TO TOLESBORO

Quite a number of Maysville and Mason county Republicans went to Toleboro this afternoon to hear Hon. Edwin P. Morrow in his address there this afternoon to the voters of Lewis county. It is also expected that there will be quite a number of the Lewis county Republicans here tonight.

## WORK ON ROADS SLOW FOR LACK OF HELP

Work on the Mason county roads now under course of improvement is very slow just at this time because of the inability of the contractors to get sufficient men to do the work.

## ED. P. MORROW AND DR. W. S. YAZELL TO ADDRESS VOTERS

Republican Candidate For Governor and Candidate For Representative Will Address Audience at the Court House This Evening—Many Hear Morrow at Toleboro.

Lewis county turned out in large numbers this afternoon to hear Hon. Edwin P. Morrow present his arguments for the election to the governorship of the state of Kentucky at Toleboro. Lewis county voters came to Toleboro from all sections of the county and it has been many a year since there was anything like that sized crowd of people in the village.

Mr. Morrow will drive to Maysville at the close of his address at Toleboro this afternoon and will be met in the East end of the city by the Boys' Band, which will escort him to the Central Hotel where he will make his headquarters during the afternoon.

At seven o'clock this evening the band as well as many Republicans will meet him at the Central and escort him to the County Court House where he will address a Maysville and Mason county audience. It is expected from the interest that has been displayed in this address that the Court House will be filled to overflowing but if all are not able to get into the large Circuit Court room, they will be given another opportunity to hear Mr. Morrow who will speak at the close of the Court House speech to an overflow meeting, if necessary.

Hon. James M. Collins, prominent local attorney, will preside at this evening's meeting and besides Mr. Morrow, Dr. W. S. Yazell, the Republican nominee for Representative from Mason county, will make a short talk in the interest of his candidacy.

Mr. Morrow is recognized as one of the best orators in the state of Kentucky and his address this evening is expected to be particularly interesting as he will probably answer some of the criticisms of Governor Black which have gained circulation in this section of the state.

There is certain to be a large crowd present and to be certain to have a good seat persons are urged to be at the Court House early. The address will begin promptly at 7 o'clock and seats will be reserved for the women who are extended a special invitation to hear Mr. Morrow and Dr. Yazell.

## POPULAR MINISTER WILL WED TODAY

Marriage license was granted Tuesday to Rev. J. Leslie Fennell, of Lexington and Miss Mary Thornton King, daughter of Mr. and Mrs. Thornton King, of the Minerva neighborhood. They will be married at the home of the bride's parents this afternoon by Rev. R. H. Biser. The bride-to-be is one of Mason county's most popular young ladies while the groom-to-be is connected with Transylvania University, Lexington, and a former pastor in this county.

## BENEFIT PICTURE ON NEXT THURSDAY NIGHT

On next Thursday afternoon and night at the Washington Theater "Mrs. Wiggs in the Cabbage Patch" will be the feature picture. This picture is being shown for the benefit of the Penny Lunch of the First District School and the school children have been selling tickets all over the city for the past several days. A large attendance is assured and a goodly sum will be made for the financing of the Penny Lunch.

## ANOTHER MINSTREL PARADE PLANNED THIS AFTERNOON

The parade given by the Home Talent Minstrel on Tuesday afternoon was a very attractive one and created much interest in the show. Weather permitting, there will be another parade this evening at about 4 o'clock in which the Boys' Band will participate.

## ENTHUSIASTIC MEETING OF COUNTY DRY LEADERS

A very enthusiastic meeting of the dry leaders of Mason county was held at the study of the First M. E. Church, South, last night at which plans for a speaking campaign in the interest of the Prohibition amendment to the state Constitution were laid.

## MAYSVILLE MAN IS STATE MASONIC OFFICER

Mr. A. G. Sulser Elected One of the Officers of the Kentucky Grand Lodge of Masons.

Louisville, Ky., October 22.—Election of officers of the Grand Lodge of Kentucky Masons today will complete the selections to head the three state bodies of that order gathered in Louisville, of which the Grand Chapter, Royal Arch Masons, made its close tonight.

Sam K. Veach, of Carlisle, was chosen to Grand High Priest of the Grand Chapter and today Henry S. McElroy, of Lebanon, will be elected to the Grand Mastership of more than 53,000 Masons in the state.

Other Grand Chapter officers elected were: James Winn, Winchester, Grand High Priest; Hanson Peterman, Cynthiana, Grand King; James Garnett, Louisville, Grand Scribe; Frank H. Johnson, Louisville, Grand Treasurer; G. Allison Holland, Lexington, Grand Secretary; A. Gordon Sulser, Maysville, Grand Chaplain of the Host; William H. Johnson, Lebanon, Grand Principal Sojourner; Frank H. Rash, Earlinton, Grand Royal Arch Captain; Virgil P. Smith, Somerset, Grand Master, Third Veil; Guy T. Johnson, Lexington, Grand Master, Second Veil, and W. O. Rigney, Lancaster, Grand Master, First Veil. Professor N. J. Norwood, of Lexington, delivered a masterly lecture on one of the principal mysteries of Royal Arch Masonry.

Indications are that the Grand Lodge will not adjourn until Thursday noon, as many important matters are to be threshed out in that body relative to the Widows' and Orphans' Home, chief of which is an effort to remove it to the county and conduct it on the cottage plan.

## 75 MILLION MEETINGS AT STONE LICK AND MT. OLIVET

Mr. C. S. Kirk, of this city, director of the Baptist 75 Million Campaign in the Bracken Association and several other local Baptists will hold a rally in the interest of the campaign at the Mt. Olivet Baptist Church on next Friday evening and at the Stone Lick Baptist Church near Orangeburg on next Sunday afternoon at 2:30 o'clock. These meetings are simply to explain the campaign and no pledges or offerings are taken.

## THE ROSER HOME SOLD

Miss Minnie L. Himes of Parkersburg, W. Va., bought through the M. F. and D. B. Coughlin real estate agency the beautiful home on Front street of the late Lewis Roser. This home was bought at the Roser sales by local speculators who put it in the Coughlin Agency to be sold. Miss Himes will move here in the near future.

## TWO LICK CHURCH CALLS PASTOR

The Two Lick Baptist Church near Germantown has extended a call to Rev. L. W. Clark, of Knoxville, Tenn., to become their pastor. Rev. Clark is expected to answer the congregation within the next few days and if he accepts he will likely begin the pastorate immediately.

## CAMPAIGN FOR Y. M. C. A. FUND IS NOW PLANNED

Meeting Held Last Night When Plans Were Laid For \$4,000 Drive—Local Boys' Club Room Will Be Cared for in the Campaign.

A very interesting meeting of persons interested in the work of the Kentucky State Y. M. C. A. was held at the Chamber of Commerce building Tuesday evening when plans were discussed and finally laid for a campaign which will be inaugurated in Mason county within the next few days for a fund of \$4,000.

At least \$1500 of this \$4000 fund will be used to equip a gymnasium and club room for the young men of Maysville and Mason county which will be conducted under the direct supervision of the Kentucky Young Men's Christian Association and which will give to Maysville practically all of the benefits of a branch Y. M. C. A.

The young men of Maysville and Mason county have long needed such a place where they might spend their time in playing games and in improving their bodies by physical training and exercise. This is our opportunity to secure such a club room and the people of Maysville and Mason county will no doubt contribute liberally to the fund.

Workers will be selected in each precinct of the county within the next few days and will be announced when the campaign will start. The State Y. M. C. A. organization will lend their assistance in putting the campaign safely over.

## LOUISVILLE NEWSPAPER MEN WITH ED MORROW

Messrs. O. S. Townsend, of the Louisville Herald, Charles E. Pohanbocke, of the Louisville Times and Claude W. Perry, of the Courier-Journal, who are traveling over the state with Hon. Edwin P. Morrow, while in Maysville to-day paid the Public Ledger a very pleasant visit.

## NEW WHOLESALE HARDWARE HOUSE MAY LOCATE HERE

Prominent Winchester Hardware Men Here to Investigate the Location of a Large Wholesale House in Maysville.

Messrs. Mahan and Ellison, of Winchester, extensive wholesale and retail dealers in hardware with branch stores in six Kentucky cities, were in Maysville Tuesday and called on Acting Secretary of the Chamber of Commerce George Kirk for information in regard to Maysville.

Messrs. Mahan and Ellison explained that they were seeking a location in this section of Kentucky for a large wholesale hardware store and that they would like to locate in Maysville because of the good shipping facilities this city affords.

Mr. Kirk took the gentlemen over the city and they were very much impressed. They made investigations as to property near a railroad where they could have a private switch. They are considering buying lots and building a large building suitable for their business upon it. Both gentlemen left Maysville Wednesday very much impressed with our city and will return in a few days to endeavor to close a deal for a location.

## WATER SITUATION WAS SERIOUS THIS MORNING

For a short time this morning it appeared that the city would again face a serious water famine and for several hours the city was not protected against fire because of reduced pressure. The reservoirs are being cleaned and for a time the supply in the side of the reservoir being used was quite low. The side that is being cleaned was found to contain several feet of mud.

## FLEMING COURT IS AGAIN OPEN FRIDAY

Circuit Judge C. D. Newell is at home for a few days' recess of the Fleming Circuit Court. He will return to Flemingsburg Friday morning to again begin the grind.

## SEAPLANE WHICH CROSSED THE OCEAN COMING UP THE OHIO

NC-4 On Its Way Up the Ohio River and May Stop at Maysville—Gallant Commander Who Made Historic Flight is With His Machine.

The NC-4, the first seaplane to cross the Atlantic, is now on its way up the Ohio river to assist recruiting in the navy, and will probably come as far as Maysville and spend a few days here, it was learned this afternoon.

Announcement was made in Cincinnati Tuesday by Lieutenant Commander Serkovich, in charge of the naval engineering inspector's office, that the NC-4 and its gallant commander would visit Cincinnati November 10 to 13.

Lieutenant Commander Read, who made the historic flight in the plane, will accompany the machine here. It will arrive here from Memphis under its own power, making part of the trip by air flight and part by water. It will be accompanied by the United States Destroyer Isabel, which will act as fuel tender. Local naval officials are now negotiating with Jacob Eyrich, custodian of public property, for the use of a suitable site as a landing place. Full details of the visit will be furnished to Mayor Russell as soon as received by the naval authorities at Cincinnati. One of the principal objects of the visit is to stimulate interest in naval recruiting and principally in the aviation branch of the navy.

## UNSIGNED COMMUNICATIONS

Maysville and Mason County ministers and church workers are receiving through the mail from Louisville communications which are unsigned and which are mailed in envelopes without return cards on them but the government post mark shows that they are from the city of Louisville.

These communications charge that Hon. Edwin P. Morrow and the state Republican ticket are the avowed candidates of the alleged Kentucky Whiskey ring and that Governor James Darling Black and his line-up represent everything that is moral and uplifting in Kentucky.

Where these unsigned communications came from is not definitely known but its 10 to 1 that they came from Democratic State headquarters.

If Tom Rhea knew the caliber of the ministers and church workers in Mason county he would not permit the circulation of these unsigned communications amongst them for the most of our Mason County Prohibition leaders do the same thing with unsigned communications that newspaper editors do with them—consign them to the waste basket. Those receiving these communications, however, might think something about them and decide that politicians who resort to such tactics are not worthy of trusting with the affairs of the state.

## A TRIBUTE TO EDWIN P. MORROW

Judge B. J. Bethurum of Somerset, Ky., judge of the Circuit Court of the Twenty-eighth Judicial district, is one of the best known judges in Kentucky.

In a public address at Whitesburg, Saturday evening, October 18th, Judge Bethurum, made the following statement concerning his former law partner, Edwin P. Morrow, Republican candidate for Governor:

"I reside in the home town of our distinguished candidate for Governor. I have known him throughout his whole life. We practiced law together at Somerset till I was called to the bench in 1910, since which time he has appeared as counsel in my court. As a lawyer and practitioner he is able, courteous and ethical; as an advocate, he has few equals, and no superiors, in Kentucky; you have heard him champion the cause of the people on the stump, and know that he is a master in the art of forensic eloquence.

"I, during all these years, have observed his conduct as a citizen. I know the esteem in which he is held at home, and it is with pleasure that I testify to his good name. Many years ago he married the charming and accomplished daughter of the late Judge O. H. Waddle, and as a result of that union their home is blessed

with two bright, sweet children. I never knew a sunnier, happier home than that of Mr. Morrow. No man is more devoted to his family than is he. He is always deeply concerned as to their comfort and welfare, and is happy when at home surrounded by the family group."

It was once the custom in Korea that a man was not allowed to attain to the dignity of trousers until he married. A bachelor was forced to wear skirts as one who possessed no definite position in society. Moreover, the law prohibited marriage unless the man was able to support a wife in the station to which she was used, so that a skirt also served as an index to income.

Catarhal Deafness Cannot Be Cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system. We will give One Hundred Dollars for any case of Catarrhal Deafness that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists. T. C. F. J. CHENEY & CO., Toledo, O.

At one time it was the fashion in the Russian army to compose regiments of men having the same features. In a regiment called Paulovski, formed by the Emperor Paul, all the men had turned-up noses, and therefore resembled him. Another regiment were all marked with the smallpox.

## PRACTICAL STEP TAKEN BY BAPTISTS IN UNION PROGRAM

Baptists of Southern Baptist Convention Send 27 Native Missionaries Into the Field.

Nashville, Tenn., October 22.—As the first practical step in the program of spiritual reconstruction of Europe, made possible by the Baptist 75 Million Campaign, twenty-seven native missionaries are being employed by the Foreign Mission Board of the Southern Baptist Convention to do special work in the new republic of Czechoslovakia, Dr. T. B. Ray, associate secretary of the board and survey director of the Baptist 75 Million Campaign, announced here today.

At a recent conference of Baptist leaders from all parts of Czechoslovakia, held at Prague, volunteers for the preaching of the gospel in that country were called for, and twenty-seven of the ablest young men of the new nation responded, it is said. Appointment of these volunteers is now in process by the Foreign Mission Board and these men, a majority of whom are university graduates, all of whom have been engaged in more remunerative occupations heretofore, and all of whom have demonstrated their usefulness as Christian workers, Dr. Ray announces.

Another move by the mission board was to appropriate a sum sufficient to complete the modern church building at Prague, the capital of Bohemia, and pay off all indebtedness against it. This building was launched just before the war and considerable money had been put into it by the mission board prior to the war. Not daunted by the conflict, however, local members of the church continued to push their building project throughout the struggle and now the mission board has come to their rescue by assuming the remainder of the obligations in the completion of the edifice.

Baptist 75 Million Campaign in the formulation of a general program of Southern Baptist effort in the reconstruction of Europe, is now in France studying the general situation there. From France it will go, in succession, into Belgium, Italy, Czechoslovakia, the Ukraine and such other important parts of Europe as are open. Later it will go into Palestine for a study of the work in Syria, Persia and Galilee, this work, formerly carried on by the Illinois Baptist Association, having been recently committed to the Foreign Mission Board.

### MORROW; ECCE HOMO!

The following editorial is from the Somerset Commonwealth, published in the home city of Edwin P. Morrow, Republican candidate for Governor of Kentucky, and shows the high esteem in which Mr. Morrow is held by the people who have known him all his life:

"The Democratic machine of Kentucky has been on the run ever since the present State Campaign began. The record of the Stanley-Black regime is hopelessly indefensible.

"Being unable to defend this record of Democratic mismanagement, an undercurrent of slander propaganda promulgated by certain Democratic machine politicians, aided and abetted by the hundreds of useless office-holders, directed chiefly against Edwin P. Morrow, Republican candidate for Governor, has been going forward for some time. Only recently, however, have any of them dared to make public their slanders. Mat Cohen, present Democratic Commissioner of Agriculture, who is now the Democratic candidate for Secretary of State, in a recent public address, uttered vague slander against Mr. Morrow.

"Methods of this kind are certain evidences of desperation. We thought they had been outlived in all civilized countries. The cause must indeed be tottering that has to be sustained by such unworthy methods. But, to those of us who live here in Somerset and have known Ed Morrow all of his life; who have watched his career as a successful student and brilliant lawyer; to those of us who daily touch hands and hearts with him, who have seen his daily life and know him thoroughly; to those of us who know of his devotion to his father and mother while they were living, of his beautiful married life, of his kindness as a husband, and indulgence as a father; to those of us who know of his bigness of heart and the cleanliness of his life; to those of us who know the man as he really is, this slander propa-

ganda and these yelps from whipped dogs are no more than laughable little jokes.

"But, to those who have not had the pleasure of knowing Ed Morrow so intimately, we ask you to come to Somerset and investigate for yourselves. Ask any officer of either of our three banks; ask the minister of any church in Somerset; ask any business man, Democrat or Republican; ask any school child; ask any of the horn-and-sons of toil; ask any of the hundreds of men who work at our railroad shops; ask anybody in Somerset about Ed Morrow and he will cheerfully abide by the answer.

"But, his home people have already refuted these slanders. Four years ago in his race for Governor, Pulaski county gave him 2500 majority—more than 1000 above the normal majority; Somerset gave him 350 majority—more than 250 above the normal majority; the City of Somerset, where he has lived all his life, a Democrat Ward, and registered Democrat that year, gave him a majority of 60 votes. Six hundred Democrats in Pulaski county, who knew and loved him, voted for him. And this year Pulaski county will resent these vague slanders by giving Ed Morrow a greatly increased majority."

"BEHOLD THE MAN AT HOME!"

### SUMMING UP THE EVIDENCE

Many Maysville People Have Been Called As Witnesses.

Week after week has been published the testimony of Maysville people—kidney sufferers—backache victims—people who have endured many forms of kidney, bladder or urinary disorders. These witnesses have used Doan's Kidney Pills. All have given their enthusiastic approval. It's the same everywhere. 50,000 American men and women are publicly recommending Doan's—always in the home papers. Isn't it a wonderful, convincing mass of proof? If you are a sufferer your verdict must be "Try Doan's first."

Here's one more Maysville case. A Sorries, lock and gunsmith, W. Second and Wall Sts., gave the following statement in January, 1912: "The action of my kidneys was irregular and the kidney secretions contained sediment. I had backaches and when I stooped over, I had trouble in straightening up. Colds settled in my back and kidneys, too. Doan's Kidney Pills stopped the trouble and my back and kidneys became as strong and well as ever."

A LASTING EFFECT  
On November 14, 1916, Mr. Sorries said: "I am the same strong believer in Doan's Kidney Pills today, as when I gave my former endorsement. I haven't had any trouble with my kidneys in a long time and I believe the cure they gave me will be permanent."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Sorries had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

TUESDAY, OCTOBER 14,  
10 O'CLOCK

In as much as I don't care to be burdened with the responsibility of looking after my farm at my time of life I have decided to offer it at Public Sale to the highest bidder on the above date. There is about 63 acres in the farm; situated in Mason County, Kentucky, in the Minerva precinct on the Big Pond Pike 6 miles West of Maysville; in Consolidated School District. This is a well improved small farm, in fact there is few like it in the county. There is a 6-room Frame House, in good condition, stock barn and tobacco barn, with usual outbuildings, all buildings in good repair. Fencing is good, and there is an abundance of water for stock and family use even at this drought period. Possession will be given for seeding this fall and full possession march 1st, 1920. Land will be sold on easy terms. Sale will take place rain or shine on the premises, so be on hand if you want this desirable little farm.

## Why Central Can Not Answer Questions

The duty of the switchboard operator is to answer your number calls and get connections for you.

If she stopped to answer questions, the number of calls would pile up and the service would be delayed; this would be an injustice to the other subscribers.

When in response to a question, the operator says: "I will give you Chief Operator", she is obeying her instruction.

If you cannot find what you want in the telephone directory, ask the operator for "Chief Operator" and she will connect you with the "Chief Operator" where your questions will be promptly answered.

## U. S. MAY RUN COAL MINES IF MINERS STRIKE

Revival of the Fuel Administration Considered—Both Sides Are Stubborn.

Washington, October 22. — Every Government agency today was being prepared to meet a nation-wide coal strike. Cabinet officers gave instructions that their departments should investigate the possibilities of Government operation of the mines and the revival of the Fuel Administration was under serious consideration.

Meanwhile, slender hopes were held out that the differences between the coal miners and the coal operators might be smoothed out today in conference with Secretary of Labor Wilson. Both sides were openly obdurate when they gathered for what may be the final session of the conference this morning. The strike order has not been recalled, according to John L. Lewis, acting president of the United Mine Workers of America, and the operators, represented by Thomas T. Brewster, refuse to accept any idea of negotiation until the strike call is rescinded.

Secretary Wilson was expected to play the trump card today. Just what club he holds over the parties in controversy is unknown, but we indicated that he had some suggestions to offer which would give both the miners and the operators reason to consider their position more carefully.

## MORROW DEMANDS EXPLANATION FROM GOVERNOR BLACK

Great Throng Greet Republican Candidate For Governor at Nicholas County Capital Yesterday.

Carlisle, Ky., October 21. — In a statement given out here this afternoon, Edwin P. Morrow, Republican candidate for Governor demands Governor James D. Black to state who he refers to in a speech reported in the press as having been delivered at Glasgow Monday afternoon, in which the Governor is credited with saying: "Neither have I any respect for a man who won't pay his debts, and who is willing to allow a check to go to protest."

The statement was given out by Mr. Morrow at the close of his speech here this afternoon delivered before a crowd that taxed the capacity of the Nicholas county Court House. Although brief it was to the point and demands a plain statement on the subject by Governor Black who is reported as having made reference to someone failing to pay their debts and allowing checks to go to protest, in the course of his speech delivered at Glasgow Monday afternoon.

Mr. Morrow's attention was called to the statement as carried in the press he immediately issued the following statement: "My attention has been called to an article in the Lexington Herald reporting Governor Black's speech at Glasgow, Ky., on October 20th. In this article Governor Black is reported as having said: 'Neither have I any respect for a man who won't pay his debts, and who is willing to allow a check to go to protest.'"

"In this statement Mr. Morrow makes no direct charge. I ask Mr. Black now to state whether or not he intended by this statement to charge that I am a man who won't pay my debts, and who allows my checks to go to protest. I want and demand a plain statement on this subject, and Mr. Black must make it."

The statement was reported as having been made by Mr. Black in connection with another statement made in commenting on Mr. Morrow announced purpose in event of his election as Governor to refuse payment of attorneys employed in the Bingham tax suit. Mr. Black is said to have taken the position that the contract entered into with the attorneys in this case was a sacred and binding obligation and that he had no respect for a man who would attempt to evade or break it.

In his speech here this afternoon Mr. Morrow reiterated his former statement that in event of his election as Governor he would refuse payment of attorneys employed in the Bingham case and said further that he did not believe a jury of twelve Kentuckians would give these men the enormous fee which they have been promised.

Despite the fact that a rain began falling early this morning and continued all day, the crowd which heard Mr. Morrow this afternoon, was said by many to have been the largest attending a public speaking here in three years. The crowd was said by Rev. S. B. Lander, pastor of the First Presbyterian church to have been almost twice as large as the crowd that heard Governor Black when he spoke here several days ago. At that time the speaking was held at night and fair weather prevailed and the Court House was not anything like filled while today the rain continued every minute of the time and the Court House was filled to overflowing with many standing in the isles and in the hall.

PRAYER MEETING TONIGHT  
Regular weekly prayer meeting services will be held at the Sedden M. E. Church on Forest avenue this evening, at 7 o'clock and a full attendance of the membership is desired.

Mrs. Mary Warrington, State Agent for the Illiteracy Commission, is in Maysville looking over the field. She finds the reports encouraging.

## GREAT MEETING HELD BY RED CROSS IN LEXINGTON

National Peace Program is Launched By Red Cross at Big State Conference.

Miss Laura Parsons was among the 250 representatives of Kentucky Red Cross chapters at the state conference of Red Cross workers in Lexington, October 21 and 22.

Dr. Livingston Farrand, national head of the American Red Cross and other national and division officials explained the Red Cross peace-time program and urged a hearty response to the Third Red Cross Roll Call, November 2-11.

Chapter representatives at the conference will carry to every corner of the state the plans for future Red Cross activities as outlined by Dr. Farrand.

This national peace program includes disaster and emergency relief, an extensive Red Cross public health nursing service, instruction in first aid, home hygiene and dietetics, completion of the aid to ex-service men and the extension of home service to families of civilians as well, organization for community betterment and the enlistment of children in the Junior Red Cross.

All delegates were luncheon guests of state manager R. C. Ballard Thursday at the Phoenix Hotel Monday.

The Tuesday session of the conference was "demonstration day" under the direction of Miss Lida Hafford, executive secretary for Kentucky. Miss Mary Trigg Jackson, supervisor of Red Cross nurses in Kentucky, gave a demonstration of home care of the sick; Dean Mary E. Sweeney of the University of Kentucky gave a dietetics demonstration, and home service work was demonstrated under the direction of Starr Cadwallader, director of the department of civilian relief in the Lake Division.

First aid and life saving were demonstrated by W. C. Haley, executive secretary of the Boy Scouts and Commander W. E. Longfellow, life saving expert of the Red Cross, Washington, D. C.

"Kentucky's work in the Red Cross up to this time has ranked very high in the Lake Division," headquarters officials told Miss Parsons. "It is a matter of pride that our peace-time work should maintain the same high standard in the future."

Three hundred thousand dollar memberships is the quota set for Kentucky in the Third Red Cross Roll Call.
